

Cleverfit® LED

New Release!

**Long Life LED
and no heat-sink required
3.8w total power consumption!**

One box solution complete with "EXIT" and "Pictograph" diffuser inserts for all possible diffuser combinations.

Universal mounting bracket for fast wall or ceiling installation.

Long Life LED Lamp

Single Point, Clever-test® or Zoneworks® computerised testing options.

Large terminal blocks and cable entry hole minimise installation fuss.

High integrity 70°C long life Nickel Cadmium batteries.

High downward light component - gives the Cleverfit LED a superior AS2293 spacing classification.

ONE BOX: BOTH STANDARDS

All these inserts come standard with each Cleverfit® exit.

Thinking inside the box...

Introducing a range of exit signs which boast not only premium features, but premium looks as well. Quick installation and reliable performance is only the beginning.

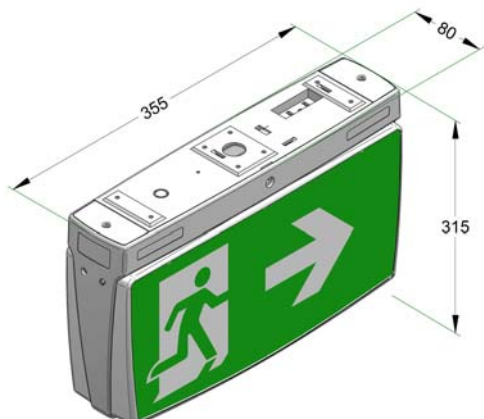

Clevertronics make installation even easier with single-sided or double-sided, wall or ceiling AS2993 "EXIT" or "Pictograph" signage options complete in every box.

Our state-of-the-art long life Cleverfit® LED pays for itself through energy and maintenance savings in less than three years.

After installation, compliance testing has never been easier with Clever-test® and Zoneworks® computerised options available across the range. Why waste your valuable time scheduling, performing and then recording emergency lighting discharge tests when the emergency lights can do it themselves?

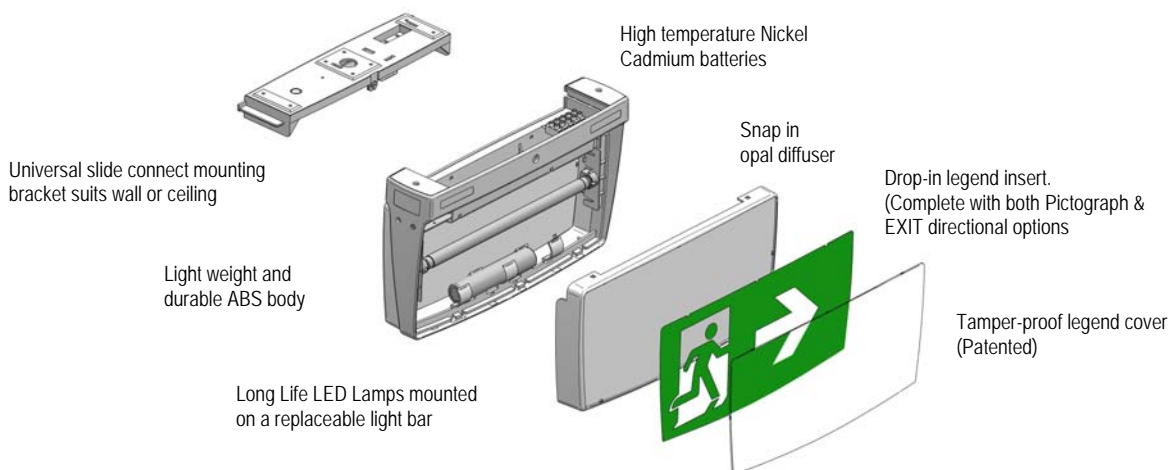

For more options available please contact Clevertronics.

Clevertronics unique *ONE BOX: BOTH STANDARDS* solution

One box is all you will ever need regardless of what standard you require!
 Each of our "ONE BOX: both standards" exits comes with all the "EXIT" and "Pictograph" inserts all in the box.
 One exit, one part number, one price, just open the box and PICK, SLIP AND CLIP.

1. Pick the correct decal

2. Slip it in

3. Clip it shut
